

Improve Corporate Resilience With Rave Facility

Create Your Facility Profile Today at
RaveFacility.com

Rave Facility, a free service provided in your community, improves employee safety and protects businesses. Simply upload floorplans, emergency contacts, and other critical data. In an emergency, 9-1-1 and first responders can access that data to improve emergency response.

Employees and customers can receive faster and better coordinated response from emergency responders when they have access to floor plans, access codes, on-site contacts, and utility shut-off information.

You can also sign up for Emergency Alerts

Smart911.com

Just go to smart911.com, create a personal safety profile with your work address listed, and opt-in to receive emergency alerts.

Some of the emergency alerts you can opt-in to receive are weather, traffic, missing persons, law enforcement, and fire.
